

Enrichment Design Challenge

Name: _____

Date: _____

Choose one animal to research. Record three of their natural behaviors, and design an enrichment to encourage at least one of those natural behaviors in a zoo habitat.

<u>Animal:</u>	<u>Natural Behaviors:</u>	<u>Notes:</u>
	1.	
	2.	
	3.	

Draw your enrichment design below. Make sure your design is safe, looks nice or natural, and does not cause stress for the animal. Label each part of your design.

Describe your design and how it encourages a natural behavior for your animal:
