

JOHN BALL ZOO

Exhibit Design Challenge

Name: _____

Date: _____

Choose one animal to research and create an exhibit for them.

Animal:

Animal's Natural Habitat (Ex. Wetlands, Forest, Ocean, etc):

What natural items are found in your animal's habitat? (Ex. Water, trees, rocks):

Exhibit Checklist: Check back to this list often when creating your exhibit

Area for your guests

- Accessible for all
 - Small children, people with disabilities, and people in wheelchairs can see and get to the exhibit.
- Educational signs
 - Information about the animal and its habitat

Area for your animal

- Back area for nighttime
 - A place for your animal to sleep or go off exhibit
- Looks like natural habitat
- Food, Water, Shelter, and Space

Area for your keeper

- Safe
 - For everyone: keeper, animal, and guests
- Easy to clean

Draw your exhibit below and label each part of your checklist.

Describe your exhibit and how it mimics your animal's natural habitat:
